Dear Friends,

Thank you very much for the donation of 18 boxes of new clothes, sandals, and shoes for men and women for the Round Rock Area Serving Center. No goods or services were provided for this donation. We are very grateful for the contribution and your compassion as we help indigent families. We appreciate you!

The Serving Center is a charitable nonprofit social services agency and food pantry serving southern Williamson County. Services provided include the food pantry, *Keep Round Rock Warm*, clothing vouchers, furniture vouchers, *Computers for Kids*, community gardens, a charity thrift store, and financial assistance toward rent, utilities, transportation, temporary lodging, and prescriptions. The agency is staffed primarily by volunteers, and is supported by local churches, civic groups, businesses, and the community of Round Rock. The clients of the Serving Center struggle to buy food as well as pay bills. The Serving Center has been helping people in this community since 1986 and assists 1,100 families per month.

With heartfelt appreciation,
